

YOU DID IT!!
The last page

⑧

A cartoon illustration depicting the concept of genius. In the center, a character with a wide-eyed, excited expression is labeled 'GENIUS' on their forehead. They are surrounded by a large, dark, textured area that resembles a nest or a cave. A large, white arrow points from the word 'YOU' towards the 'GENIUS' character. To the right, a speech bubble contains the word 'yesss'. Above the 'GENIUS' character, a thought bubble shows a lightbulb with a dollar sign inside. Other characters are shown around the central figure, some with lightbulb ideas in their thought bubbles and others with question marks on their heads. The overall style is simple and humorous.
